About Leader

You are really fortunate to spend time with our guides who hold strong communication skills. They are great at projecting their voices across a group in a clear and easy to understand manner. They are gifted with what you call to be the great conversationalists with outgoing personalities. We ensure you that you feel open and comfortable talking to whoever accompanies you as your guide. Our guides possess a great experience of almost all the travel and trekking sites of Nepal. They can disseminate their awesome knowledge and experiences to you. They are not only enthusiastic but at the same time are humorous as well to relieve you from the often tiresome walks. We never compromise when it comes to time. Our guides are always punctual and perform things in time. They have keen sense of direction and can easily lead you in whichever route you follow them. Mostly, we assign the local guides who can bring their own knowledge, gain a genuine experience.
